German Agent Tells of Spy Ring in China

Shanghai, Oct. 3 (U.P.)—Herman Frederick Erben, Vienna-born physician who was a naturalized American until his citizenship was revoked in 1941, today admitted he was a German spy in China during the war.

Erben testified for the prosecution in the trial of 27 alleged members of Bureau Erhardt, German espionage agency which American authorities contend supplied the Japanese with military information long after the German surrender.

Erben boasted that he used to accompany movie star Errol Flynn on trips aboard the actor's yacht. He said he became a German spy in Mexico City early in 1941, and later was sent to Shanghai to get information on American ship movements.

Still later, he said he was instructed to seek out the "underground railway" by which Americans, British and other Allied nationals escaped from Shanghai to free China.

Asked if he did not consider his activities traitorous, he denied the allegation, saying "I worked in a capacity that I can fully justify to authorities who know the score."

Still later he said he was directed to seek out the American ground college by which American troops were being trained in China.

Asked if he was not working with the German espionage agency, Fren admitted that he was. He said he was a member of the German espionage agency and that he was working for the German government.

Dr. Erben's Citizenship Is Revoked

By David Fox
SACRAMENTO, Calif., Jan. 30.—Dr. Herman Frederick Erben, 43, medical officer of the scuttled Graf Spee's supply ship and a shadowy international figure for 20 years, today was in danger of deportation.

Federal Judge Martin J. Welch yesterday revoked his American citizenship because he had not resided in the United States for five years, or in San Francisco for six months, before he filed his petition for naturalization Aug. 1, 1932.

The Justice Department with instigate deportation proceedings if it considers him an undesirable alien, although it is possible Austria will not accept him. He is a native of Vienna.

An authority on tropical diseases, he came to the United States in 1921 on an invitation from the Rockefeller Foundation.

He has been reported "killed" on numerous occasions, only to turn up again. He was "killed" in the World War while serving with the Austrian army. He was "killed" again in California in 1928, and the report was so convincing the State Department denied him a visa to go to Ethiopia with a French Red Cross unit. Nevertheless, he served in a Madrid hospital during the Spanish civil war and was in Barcelona with Marie Curie's group.

Dr. Erben's Citizenship Is Revoked

SACRAMENTO, Calif., Jan. 20.—Dr. Norman Frederick Erben, 42, medical officer of the staffed Civilian Supply ship and a graduate in international law, today was in danger of deportation.

Federal Judge United States today ruled on his American citizenship, because he had not been in the United States for five years. Dr. Erben had been in the United States for six months before he filed his petition for naturalization Aug. 1, 1931.

The State Department will make a preliminary investigation of the doctor's past record. It is considered that an American citizen, although it is possible he may not accept citizenship, is not a native of America.

An undoubtedly hospital diseases, he came to the United States in 1914 on an invitation from the Rescience Foundation.

He has been reported tried on the ground of being a spy to turn up again. He was tried in the World War when serving with the Austrian army. He was taken from in California in 1917, and the report was to the State Department demanded him to go to Europe with a French Red Cross unit. Now the doctor is in a hospital in California, and was in Europe with the Civilian Supply ship.

[REDACTED] advised reporting agent on December 3, 1942, that the last he had heard of subject was about three weeks ago when she attended a party given in the home of FRED MCAVOY. MCAVOY is well known to the Los Angeles office, he being a play-boy of Australian citizenship who has been the subject of a separate investigation. Except for his associates who have previously been reported as being of a suspicious character, no information has been developed indicating that he is engaged in subversive activity. He is a great friend of ERROL FLYNN, the actor. [REDACTED] said [REDACTED] attended alone, which typifies the type of a girl she is.

RE: WHITE SLAVE TRAFFIC ACT SURVEY
LOS ANGELES FIELD DIVISION

Dear Sir:

Reference is made to Bureau letter of August 6, 1943, in connection with the above-entitled matter, requesting to be advised of the plans of this office for increased activities in the enforcement of the White Slave Traffic Act in this area.

In this respect, I wish to advise that in the immediate future the activities of [redacted] and [redacted] two of the more prominent madams in the Hollywood area, will be subjected to a very close investigation in order to determine if they are engaged in violation of the White Slave Traffic Act.

Plans have also been formulated to cover the activities of [redacted] intimate associate of [redacted] and [redacted] is presently in the East because of a death in his family. He is notorious here in his associations with [redacted] and has the reputation of being a procurer for both [redacted] and [redacted]. Through these investigations, it is expected that definite information will be developed which will ultimately lead to convictions for violations of this act.

At the present time, there is an investigation going on into the activities of [redacted] and KURIL FLYNN, motion picture actors. These matters are receiving close attention and it is expected that within the next ten days the [redacted] matter will be developed. A great deal has been said about Communist activities in the movie industry. Allegations have been made by various individuals that certain prominent people in the motion picture industry are Communists or fellow travelers. It is believed that the Bureau's analysis of the Communist situation in Hollywood is well stated, and for that reason there is being set out hereafter the information contained on pages 27 and 28 of the "Quarterly Summary of National Defense Investigations", issued on November 15, 1940. This information is set out under the title, "Communist Activities in the Motion Picture Industry".

"During the past five years there have been numerous allegations concerning Communist activities in Hollywood. It is alleged that one of the best sources of income to the Communist Party is in the form of contributions either directly to the Party, or to Communist Party front organizations, of the luminaries of Hollywood. While none of this information has been proved, the allegations are too numerous to be dismissed as fiction."

"In 1937 the Party sought to raise \$30,000 for its newspaper, the Western Worker, and it was then disclosed that the principal part of this sum had been constituted by members of the movie colony. It may be explained that many persons associated with the movie industry are strongly anti-Fascist in sympathy, and some have become over-zealous in working for the anti-Fascist cause. There is no doubt but what large contributions have been made to fight Fascism. It is equally understandable that funds so donated have become diverted to Communist channels by Communist Party members in charge of anti-Fascist front groups."

"The following persons have been alleged to be either Party members or Party sympathizers:

b7D

Dear Sir:

Reference is made to a letter from the [redacted] dated January 29, 1944, wherein it is set out that [redacted] furnished information to the effect that in 1937 [redacted] made a trip through Spain accompanied by a German who was a member of the military secret service for Germany and a resident of Los Angeles, California.

b7D

Inquiry was made of [redacted] former Executive Studio, a special agent in contact of this office, concerning [redacted] position. [redacted] advised that in 1937 or 1938, [redacted] was having considerable trouble with FLINN because he was unreliable in carrying out his obligations under his contract. FLINN took a trip to the continent. This trip was a vacation for FLINN and was not sponsored or approved by the Studio. According to [redacted] the trip was highly successful for FLINN inasmuch as he was lionized and fêted wherever he appeared.

[redacted] was unable to obtain any information as to persons had accompanied FLINN on this trip.

The indices of the Los Angeles Field Division have been searched without locating any subversive references to FLINN and accordingly it would appear desirable that FLINN be interviewed in this connection. Such an interview, however, will not be conducted unless and until requested by the New York Field Division, the office of origin in this case.

In the meantime, this matter is being handled as a routine matter upon completion to office of origin.

Very truly yours,

Re:

REGISTRATION ACT

Dear Sir:

The above captioned subject was interviewed on December 17, 1946 to a year and a day in violation of the Espionage Act. Recently advised this office of an incident that occurred to him in Berlin, Germany, in 1937.

On one occasion he recalled that he was introduced to [redacted] by his usual respects to [redacted] and was introduced to [redacted] German who according to [redacted] is from Los Angeles. [redacted] explained that this German had just completed a tour of the various [redacted] in company with [redacted] FLINN, the Soviet agent, and that they had taken a great many pictures of various establishments and military objects. [redacted] said that these pictures lay in a huge pile on [redacted] table. When [redacted] was asked of the room, this man stated he was a member of [redacted] and that he had gone to Spain during the Spanish Civil War to observe the fighting on the various fronts and that they had gone to London with the idea of getting permission from the Franco forces. Franco officials in London [redacted] refused visas to FLINN and the German, but they had been able to secure visas from the Spanish Republican officials there. The German had obtained his Republican visa issued in London, and also his American visa there, and had discussed various cities in the United States, including Los Angeles and Washington, D. C.

after this German left [redacted]

ERROL FLYNN

[REDACTED] as dinner with ERROL FLYNN on one occasion and developed information that [REDACTED] had seen a great deal of FLYNN during his trip to Los Angeles. He attended several sessions of FLYNN'S recent trial, and they were together on numerous occasions. FLYNN expressed the opinion that [REDACTED] would return to Los Angeles within the near future.

When questioned concerning ERROL FLYNN, [REDACTED] said that FLYNN and his friend [REDACTED] were passengers on a Pan American plane which arrived at Glendale, California, August 20, 1942 from Mexico City. [REDACTED] was suspected of being involved in some way with [REDACTED] who was [REDACTED] an espionage suspect. This same source furnished information to the effect that [REDACTED] and [REDACTED] also were suspected of being involved in espionage. It will be noted that [REDACTED] and [REDACTED] will be mentioned later in this report as friends of [REDACTED].

ERROL FLYNN is well known to all sources contacted during the course of this investigation. His recent trial was highly publicized in local papers, and FLYNN is described as a highly-sexed individual, who is frustrated in his normal desires; very attractive to women. He has an active case of tuberculosis.

RECEIVED 3/27

67D

at present and is reported to have been classified I-F by his Draft Board for this reason. He is regarded as a person of low moral character, with absolutely no regard for women, who has had affairs with every woman with whom he has been associated in motion pictures. The statement was made that [REDACTED] that FLYNN has had an affair with every woman who has ever worked on the Warner Brothers' lot "from grandmothers on down." He has been known to entertain women in his dressing room while on the set. He has frequently boasted of his powers of conquest, and has openly made bets that he would seduce certain women who have appeared difficult.

67D

[REDACTED] stated emphatically that there was no doubt regarding [REDACTED] guilt in his recent trial for rape, and that he has been guilty of this act many times previously. FLYNN told [REDACTED] that the girls who had sued him were attempting to shake him down for thousands of dollars, and that he had decided to fight the case. For general information, it can be stated that Warner Brothers expected a certain amount of adverse criticism of FLYNN due to his notoriety, but that they have been agreeably surprised by the reaction of film audiences since his vindication.

[REDACTED] said that to his knowledge Warner Brothers had millions of dollars invested in FLYNN "in the cans" which is a Hollywood term for describing pictures not yet released, but completely finished.

67D

FLYNN was characterized as [REDACTED] is a man perverted in his sexual desires, and one who ultimately will cause Warner Brothers a considerable amount of difficulty if he doesn't kill himself in the process." FLYNN is presently in Mexico City, where it is reported that he is attempting to forget his recent trial before beginning a new picture at Warners'. It was noted that no individual contacted in the course of this investigation had anything good to say about FLYNN, describing him in some instances as "a perfect heel" and using other expressions which cannot be stated in this report.

Errol Shot in Leg While With Castro

Other Stories on Page 2

HAVANA, Jan. 6 (UPI).—Hollywood star Errol Flynn is modestly displaying a minor leg wound these days which he says was inflicted by government bullets while he was roving with a rebel band last week.

Flynn told a press conference here that he had been out three times since Christmas with rebel raiders in the service of Fidel Castro, whom he says he has known for eight years.

"There was some strafing (in a New Year's Eve raid) and, as usual whenever bullets are flying, I took refuge," the actor said. "Unfortunately, one bullet whipped some chunks off a pillar, and either a fragment or the bullet itself grazed me."

"It's really nothing, but judging by the fuss you'd think I was about to lose a leg."

NOT A COMMUNIST

He said he is sure Castro is not a Communist, although he conceded the possibility that some members of his organization may be. He added, however, that any Reds there may be in the Castro group "aren't in any positions of power."

As for Castro himself, Flynn said:

"I can guarantee he is not a Communist."

"I'm sure of it. He is a pure idealist, and there aren't many left."

When he was asked about Argentine Dr. Ernesto (Che) Guevara, a Castro lieutenant who has been accused of Red leanings, the actor said "I only met him fleetingly for a few moments."

As for the possible Communist sympathies of Castro's brother Raul, Flynn said:

"Well, we discussed that with Castro, and I have just one thing to say: Anybody with intelligence is a Communist at 20 but anybody who is a Communist at 40 is a fool. And Raul Castro is a very young boy."

(FLYNN)

HAVANA--MOVIE WARRIOR ERROL FLYNN TODAY NIPSED A PEAL WOUND HE SAID HE RECEIVED FIGHTING WITH FIDEL CASTRO'S REBELS AGAINST THE BATISTA FORCES IN CUBA.

THE ACTOR DISPLAYED A FLESH WOUND ON HIS RIGHT LEG TO NEWSMEN IN HAVANA. HE SAID HE RECEIVED IT JAN. 1 WHILE ACCOMPANYING CASTRO FORCES IN A SKIRMISH. HE MADE THREE PCPAYS WITH THE REBELS IN EASTERN CUBA SINCE CHRISTMAS, HE SAID.

HE HAILED CASTRO AS A FRIEND OF EIGHT YEARS AND DEFINITELY NOT A COMMUNIST.

"I'M SURE OF IT," FLYNN SAID. "HE IS A PURE IDEALIST AND THERE AREN'T MANY LEFT."

HE CONCEDED THERE MAY BE SOME COMMUNISTS IN CASTRO'S JULY 26 MOVEMENT, BUT SAID "THEY AREN'T IN ANY POSITIONS OF POWER."

(IN A RECORDED INTERVIEW WITH RADIO PRESS IN NEW YORK FROM HAVANA, FLYNN ACCUSED THE BATISTA FORCES OF ATROCITIES AGAINST WOMEN AND CHILDREN, HE SAID THEY BEAT THEM, CUT OFF THEIR FEET AND PULLED OUT THEIR HAIR.)

FLYNN SAID HE RECEIVED HIS WOUND WHILE WITH CASTRO FORCES.

"THERE WAS SOME STRAFING," HE SAID, "AND AS USUAL WHEN BULLETS ARE FLYING, I TAKE REFUGE." HE SAID HE HID BEHIND A WALL.

"UNFORTUNATELY A BULLET PIPPED OFF SOME CHUNKS OF A WALL AND EITHER A FRAGMENT OF THE BULLET ITSELF GRAZED ME. IT'S REALLY NOTHING, BUT JUDGING FROM THE FUSS YOU'D THINK I WAS ABOUT TO LOSE A LEG."

REC-58

Errol, Castro Trooper, Can't Troup in U.S.

Errol Flynn, apparently year. He can't appear in the recovering nicely from a legitimate theater while the wound he says he received during the Cuban revolution, is suffering from a much unkindlier cut today. He's been suspended for conduct unbecoming an actor.

The action was taken by Actors Equity Assn. yesterday after its council heard charges that the doughy Errol walked out on a play in Cincinnati last

The actor reportedly said at the time that the drama offended his thespian sensibilities. The play a dramatization by food-chain millionaire Huntington Hartford of the novel "Jane Eyre," later opened on Broadway with another actor in the starring role.

Errol's lawyer, Justin M. Go-

lenbock, said last night the actor feels that the charges are without justification, and that he will be able to refute them.

The veteran actor reportedly was nicked in the leg while accompanying Fidel Castro's revolutionary forces.
